FOR IMMEDIATE RELEASE:

The 2019 Iowa Beef Expo Livestock Judging Contest took place Sunday, February 10th. It caught everyone's attention as contestants from 7 states came together to participate in the largest single species livestock judging contest in America. 350 plus contestants and many volunteers made the event extremely worthwhile. With the level and quality of the participation, many are thrilled at the leadership of the upcoming generation in the animal agricultural field.

"The Iowa Beef Expo Judging Contest is a unique event that exposes students to the best cattle from Iowa. It's a win for everyone when producers can show case their genetics to young people from all over the country, while students develop decision making and communication skills."
